PROFESSIONAL SUMMARY

Aspiring to build a proficient career in disaster management and climate research, with a focus on GIS and remote sensing applications. Passionate about contributing to innovative solutions addressing environmental challenges and enhancing community resilience. Equipped with expertise in GIS & RS, I aim to work collaboratively on impactful projects, leveraging my academic and practical experiences. My goal is to join dynamic organizations where I can apply my skills in research, data analysis, and project management to drive meaningful change and foster sustainable development in vulnerable communities.

EDUCATIONAL QUALIFICATIONS

Masters of Disaster Management (MDM)

Disaster Management

University of Dhaka, Nilkhet Road, Ramna, Dhaka 1000, Bangladesh

August 2025

Grade: CGPA 3.86 out of 4.00

Bachelor of Disaster Management (BDM)

Disaster Management

University of Dhaka, Nilkhet Road, Ramna, Dhaka 1000, Bangladesh

January 2024

Grade: CGPA 3.67 out of 4.00

Higher Secondary Certificate (H.S.C.)

Humanities

Govt. H.S.S. College, Magura 7600, Bangladesh

2018

Grade: GPA 4.75 out of 5.00

Secondary School Certificate (S.S.C.)

Science

H.B.D.A. Ali Secondary School, Jhenidah 7351, Bangladesh

February 2016

Grade: GPA 4.89 out of 5.00

WORK EXPERIENCES

Research Associate (RA)

22 June 2026 to Present

Institute of Disaster Management and Vulnerability Studies, University of Dhaka

Project: Gender Responsive Health Care System in Bangladesh: Addressing the Dual Burden Challenge of Climate Change and Health Inequities.

⇒ **Research Activities:** EOI preparation, research proposal writing, research design, methodology development, questionnaire development, data analysis and report writing.

⇒ **Field and Other Activities:** Administrative and other documents preparation, training enumerators, qualitative data collection (FGD, KII, IDI), facility assessment, technical assistance.

Junior Research Fellow (JRF)

22 October 2025 to 21 June 2026

Bangladesh Space Research and Remote Sensing Organization (SPARRSO), Ministry of Defense (MoD), Government of Bangladesh

Project: *Elucidating the fluvial-geomorphological response mechanism to surrounding landscapes in the transboundary Brahmaputra River in Bangladesh.*

Lab: *Agro and Hydrometeorology Lab, SPARRSO.*

- ⇒ *Assisting my supervisor on his research project through research design, literature review, methodology design, data collection, data analysis and report writing.*
- ⇒ *Planning and executing my own research project on “Assessment of Spatial Sediment Yield and Its Influence along the Lower Teesta River Basin, Bangladesh” along with my supervisor’s project.*
- ⇒ *Preparing the Monthly Progress Report, Annual Progress Report, Annual Research Completion Report, and Annual Report for SPARRSO.*
- ⇒ **Tools Learnt/Utilized:** *Google Earth Engine (GEE), Python, Google Colab, InVEST, ArcGIS Pro, GPS.*

Executive

01 August 2025 to Present

Give Bangladesh Foundation

- ⇒ *Coordinating organizational operations with a focus on documentation, reporting, and project support to ensure smooth execution of programs and initiatives.*
- ⇒ *Assisting in cross-team collaboration by preparing proposals, newsletters, and reports, while contributing to strategic communication and stakeholder engagement.*

Skills: *Preparing grants proposals, newsletters, reports, press release.*

Research Assistant (RA)

01 July 2025 to 21 October 2025

Bivuti Bhushan Sikder, Assistant Professor

Institute of Disaster Management and Vulnerability Studies, University of Dhaka

- ⇒ *Assisting in research projects related to climate change, adaptation, disaster management, vulnerability studies, and resilience building.*
- ⇒ *Contributing to the preparation of research papers, reports, and presentations for academic and policy-oriented audiences.*
- ⇒ *Collaborating with faculty members, students, and external stakeholders in the design and implementation of research methodologies.*
- ⇒ *Managing and maintaining research databases and project files, ensuring accuracy and compliance with ethical standards.*

Research Assistant (RA)

16 March 2025 to 08 April 2025

Sustainable Research and Consultancy Limited (SRCL) | United Nations Development Programme (UNDP)

- ⇒ *Conducted field data collection (FGDs) for UNDP through SRCL with the Pond Sand Filter (PSF) users and Reverse Osmosis (RO) users in 10 Upazilas of Satkhira (Assasuni, Kaliganj, Satkhira), Khulna (Dacope, Paikgacha, Koyra), and Bagerhat (Bagerhat Sadar, Mongla, Rampal, Sharankhola) Districts.*
- ⇒ *Conducted Key Informants Interview (KIIs) of the Assistant Engineer and Sub-Assistant Engineer of Department of Public Health Engineering (DPHE) of the selected Upazilas.*
- ⇒ *Prepared reports on the themes – Existing Drinking Water Sources, Practices and Alternatives, Knowledge and Acceptance of the PSFs & ROs System, Social and Gender Dynamics, Technical Feasibility, Performance and Maintenance Challenges, Effluent Management and Environmental Concerns, and other Recommendations and Suggestions.*

Research Assistant (RA)

02 November 2024 to 06 November 2024

Bangladesh Disaster Preparedness Centre (BDPC) | Bangladesh Rural Advancement Committee (BRAC)

- ⇒ *The study is titled as, “Training Needs Assessment of Local Disaster Management Committees.”*
- ⇒ *Conducted field data collection for BRAC with a focus on UDMC and WDMC in Jamalpur District.*

⇒ Conducted Training Need Assessment (TNA) for the UDMC & WDMC members through FGD and KII; collected required data; prepared reports on the Training Needs Assessments (TNAs).

Intern

11 July 2023 to 29 November 2023

GIS & Remote Sensing Division, Center for Environmental and Geographic Information Services (CEGIS)

- ⇒ Gathered relevant data sources, including historical land use data, satellite imagery, demographic information.
- ⇒ Supported mapping and spatial analysis, and prepared comprehensive reports on riverbank erosion.

Research Assistant (RA)

10 July 2023 to 30 December 2023

Dr. Maksudur Rahman PhD., Professor, Department of Geography & Environment, University of Dhaka

Project: BRAC NDC Review Project (CRHI at Coastal Zone).

- ⇒ Conducted Key Informant Interviews (KII) to gather qualitative insights from stakeholders, ensuring comprehensive data collection aligned with project objectives.
- ⇒ Transcribed and analyzed qualitative data from KIIs to derive actionable findings, supporting the project's focus on CRHI in the coastal zone.

Teaching Assistant (TA)

09 July 2023 to 30 September 2023

GIS Lab, Institute of Disaster Management and Vulnerability Studies, University of Dhaka

Course: DMC 305: Geographic Information System (Lab). **Course Teacher:** Md Juel Mia, Assistant Professor.

- ⇒ Offered technical expertise in utilizing GIS & geospatial tools, software, and databases for research and projects.
- ⇒ Provided software solutions to the students, including ArcGIS, ArcGIS Pro, and other GIS applications.

Deputy Coordinator & Design Head

01 April 2023 to Present

HQ Operations Team, Give Bangladesh Foundation

- ⇒ Leading the creation of professional designs for key organizational materials such as project reports, annual reports, monthly reports, newsletters, and project proposals.
- ⇒ Supporting cross-functional teams, mentoring team members, and coordinating documentation tasks to meet deadlines effectively.

Data Enumerator and Analyst

25 August 2022 to 30 August 2022

Gender Responsive Resilience & Intersectionality in Policy & Practice (GRRIPP) | South Asia

- ⇒ Conducted field data collection (In depth interview) on the impacts of flash-flood in the north-east Bangladesh with a focus on gender and intersectionality.
- ⇒ Analyzed and synthesized data into reports to guide gender-responsive and inclusive policies.

Instructor

04 January 2022 to 30 July 2022

MIT Coaching Center, Malibagh

Courses: Geography, Economics, General Science, and English.

- ⇒ Conducted interactive classes, simplifying complex topics and providing personalized support to enhance student understanding and performance.
- ⇒ Guided students in exam preparation through targeted practice sessions, progress monitoring, and motivational counseling, contributing to improved academic outcomes.

Data Enumerator

05 September 2020 to 20 September 2020

United Nations International Children's Emergency Fund (UNICEF)

- ⇒ Conducted field data collection (Remotely) to verify beneficiaries for a flood response program named Beneficiary Selection for Flood Anticipatory Action (CERF 2021) in Northern Bangladesh, a Project by UNICEF.

VOLUNTARY EXPERIENCES

Advisor and Instructor

03 February 2025 to Present

IDMVS Students Forum, Institute of Disaster Management and Vulnerability Studies, University of Dhaka

- ✧ Provide mentorship to students on academic and professional development, focusing on disaster management and vulnerability studies, including GIS and creative methodologies.
- ✧ Conduct workshops and training sessions on GIS techniques, data visualization, and creative tools to enhance students' technical and analytical skills.

Member

16 November 2024 to Present

YouthMappers, University of Dhaka Chapter

- ✧ Contributed to OpenStreetMap (OSM) by mapping vulnerable areas and critical infrastructures to support disaster management, resilience building, and sustainable development initiatives.
- ✧ Participated in workshops and training sessions to enhance technical skills in GIS and OSM, while collaborating with other YouthMappers chapters on global mapping projects.

Volunteer

26 November 2022 to Present

Give Bangladesh Foundation

- ✧ Actively engaging in event planning, fieldwork, and community outreach to support social impact projects, ensuring smooth execution through logistics coordination, workshop facilitation, and direct involvement in project implementation.

Volunteer

07 August 2021 to 20 December 2022

Disaster Management Studio, Institute of Disaster Management and Vulnerability Studies, University of Dhaka

- ✧ Acted as a member of Research and Development (R&D) to plan and implement research programme and other related activities.
- ✧ Organized and participated in workshops, seminars, and training programs aimed at building community awareness and capacity in disaster risk reduction and response.

Information & Technology (IT) Secretary

15 October 2019 to 30 September 2023

School of Ghasful, University of Dhaka

- ✧ Designed and managed organization members' ID cards, certificates, and other digital assets to streamline administrative processes.
- ✧ Maintained and updated the organization's database to ensure accurate records of students and activities (Event Management and Others).

Khan, M. S. & Faisal, B. M. R. (2026, April 11). *Assessment of sediment yield using geospatial techniques: A case of the lower Teesta River Basin, Bangladesh* [Poster Presentation]. National Seminar on Climate & Disaster Resilience, Institute of Disaster Management and Vulnerability Studies (IDMVS), University of Dhaka, Dhaka-1000, Bangladesh. <https://doi.org/10.1016/s034131>

GRANTS, FELLOWSHIPS & SCHOLARSHIPS

SPARRSO Fellowship 2025-26

15 October 2025 to 21 June 2026

Bangladesh Space Research and Remote Sensing Organization (SPARRSO), Ministry of Defense (MoD), Government of Bangladesh

☞ Awarded for research on flood risk assessment and river channel shifting using remote sensing applications in flood-prone region in North-western Bangladesh.

☞ **Research Title:** “Assessment of Spatial Sediment Yield and Its Influence along the Lower Teesta River Basin, Bangladesh.”

National Science and Technology (NST) Fellowship 2024-25

01 July 2024 to 30 June 2025

Ministry of Science and Technology (MoST), Government of Bangladesh

☞ Awarded for MS/MSc thesis research on extent and impacts of river channel shifting and remote sensing applications in riverbank erosion-prone region in North-western Bangladesh.

☞ **Thesis Title:** “Spatiotemporal Analysis of Jamuna River Channel Shifting and Its Impacts on Riverine Communities: A Study on Kazipur, Sirajganj.”

Dhaka University Postgraduation Scholarship (General) 2024-25

02 February 2025

University of Dhaka

☞ This recognition is based on my performance (Good conduct, Regular Attendance, and Satisfactory Academic Progress) during the Undergraduate level (2019-2022).

Junior School Certificate (JSC) Scholarship (General) 2014-15

01 March 2014

Board of Secondary and Higher Secondary Education, Jessore

☞ This recognition is based on my performance (Satisfactory Academic Results) in the Junior School Certificate (JSC) Exam held in 2013.

TRAINING AND COURSES

- | | |
|------|--|
| 2026 | Spanish Elementary Course by Institute of Modern Languages (IML), University of Dhaka. |
| 2025 | Your First Bite into Graphic Design: A Canva Guide - Advanced Edition by Give Bangladesh Foundation. |
| 2025 | Your First Bite into Graphic Design: A Canva Guide by Give Bangladesh Foundation. |
| 2025 | Fundamentals of GIS by University of California, Davis through Coursera. |
| 2025 | Data Analysis with Python by IBM through Coursera. |
| 2023 | OpenStreetMap (OSM) Validation using JOSM by YouthMappers International. |
| 2023 | Adobe Illustrator Basic Course by Give Bangladesh Foundation. |
| 2022 | Introduction to GIS Mapping by University of Toronto through Coursera. |
| 2022 | ArcGIS Pro Basics by ESRI. |
| 2022 | GIS Basics by ESRI. |
| 2022 | Presentation & Public Speaking by 10 Minute School (November, 2022). |
| 2022 | Fire Safety Awareness by 10 Minute School (August, 2022). |
| 2022 | Fire Safety Awareness & Training program at Palashi Barrack, Bangladesh Fire Service and Civil Defense (BFSCD). |
| 2020 | Excel Skills for Business: Essentials by Macquarie University through Coursera. |

ATTENDED CONFERENCES, EVENTS AND WORKSHOPS

13–14 Dec, 2025 Participated (on behalf of *Give Bangladesh Foundation*, a youth partner of PRAAN) the “**National Coastal Convention 2025**” arranged by Participatory Research & Action Network (PRAAN) at Bangladesh Military Museum.

SKILLS & EXPERTISES

Spatial Analysis	ArcGIS Pro, ArcGIS (ArcMap), Google Earth Engine (GEE), QGIS, Google Earth Pro, Web Mapping (OpenStreetMap), GPS Mapping and Visualization.
Programming & Statistics	SPSS, Python (Basic), Google Earth Engine (GEE), Google Colab, PyCharm (Basic), Jamovi (Alternative to SPSS/STATA), InVEST, R, Mermaid.
Office Applications	MS Office 365, MS Word, LaTeX, MS Excel, MS Power Point, Outlook, Teams, Google Suite.
Research	Literature Review, Methodology Development, Data Analysis, Proposal and Report Writing, Expression of Interest (EOI) Writing, Inception Report Writing, Budgeting, Questionnaire Development, Field Supervision, Translating and Transcribing.
Referencing	Zotero, Mendeley, EndNote, Mybib.
Graphic Design	Adobe Illustrator, Adobe Photoshop, Canva, Affinity, Figma.
Video Editing	Adobe Premiere Pro, DaVinci Resolve, iMovie, CapCut.
Organizational	Communication, Adaptability, Time management, Risk management, Teamwork.
Language	Bengali and English (Proficiency in listening, speaking, reading and writing).
Others	Photography (Camera and Mobile), KoboToolbox (Data collection), Mapillary.

ACHIEVEMENTS

28 Jun 2025	Secured 3rd position in the Beat the Heat: The Student Heat Action Contest 2025 Intra-University Photography Contest organized by the Bangladesh Red Crescent Society with support from the International Federation of Red Cross and Red Crescent Societies (IFRC) and the American Red Cross .
01 Jun 2025	Got certificate for the participation in the 10th 35AWARDS International Photography Award .
08 Apr 2025	Entered into the top 6% best photos of the 35AWARDS: Winged Insects contest.
Feb 2025	Awarded as the Volunteer of the Month (VoM) by Give Bangladesh Foundation for the month February 2025.
27 Dec 2024	Received the “ A Dedicated Difference-Maker: Coolest One ” award from the Give Bangladesh Foundation for my reliable and consistent efforts throughout the last (2024) year.
Feb 2024	Awarded as the Volunteer of the Month (VoM) by Give Bangladesh Foundation for the month February 2024.
23 Jul 2023	Became a Champion for portraying passion and grit to complete the “ Graphic Design Course on the Basics of Adobe Illustrator ” arranged by Give Bangladesh Foundation .
23 Nov 2022	Completed the Introduction to GIS Mapping course from University of Toronto on Coursera and received a 99.24% grade.
06 Oct 2021	Got selected and participated in Centennial Photography Competition 2021 and got certification by the University of Dhaka .
2014	Secured 2nd position in Music competition (Nazrul Sangeet) at Inter-Upazila Cultural Fest.
2011	Secured 1st position in Drawing competition at my primary school.

INTERESTS

Research Interests	Geomorphology, Hydrology, Urban Climate, Disaster Risk Reduction (DRR), River Morphodynamics and Flood, Water Security, Urban Climate, GIS and Remote Sensing Applications, Addressing Climate Change Issues, Atmospheric Research.
Personal Interests	Design & Creativity, Volunteering & Social Engagement, Photography, Acquiring New Knowledge, Travel & Field Visits, Singing, Cooking.

ORGANIZATIONS

Give Bangladesh Foundation	26 November 2022 to Present
YouthMappers, University of Dhaka Chapter	16 November 2024 to Present
School of Ghasful, University of Dhaka	15 October 2019 to 30 September 2023

LANGUAGES

Mother tongue(s): **Bengali**

Other language(s):

	Understanding		Speaking		Writing
	Listening	Reading	Spoken Production	Spoken Interaction	
English	C1	C2	B2	C1	C2
Spanish	B2	C1	B1	B1	B2
Hindi	C1	–	B2	B2	–

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user.

PERSONAL INFORMATION

Father's Name	:	Md. Toslim Khan
Mother's Name	:	Mst. Shahana Akter
Date of Birth	:	10 th March 2001
Gender	:	Male
Marital Status	:	Unmarried
Blood Group	:	A(+ve)
Religion	:	Islam
Nationality	:	Bangladeshi (By Birth)
Passport No.	:	A09285656 (Expires in 2035)
Permanent Address	:	House: 243, Village: Jatrapur, Union: Hakimpur, Upazila: Chaugachha, District: Jashore.
